

alpha Presenter 1800

The Alpha Presenter 1800 is a wooden mobile teaching desk with lockable 15U rack cupboard and 1800mm wide desktop. Retains the flexible functionality of the Deluxe PP range but at a fraction of the cost. The curved side pods have been modified to reduce the complexity of the manufacturing process.

Features:

Ventilated Rack Cupboard

Lockable removable back panel suitable for all PM branding options.

Full cable management from floor to desktop.

A taller version of this unit, incorporating an 18U cupboard and 940mm tall is also available

Door height can be customised

Desktop, side pods and unit can be coloured or veneered to your choice
